STATE BY STATE BREAKDOWN OF SHIP/BUSINESS RESTRICTION ORDERS

What it means for motor vehicle repair shops and motor vehicle parts manufacturers

Updated as of April 2, 2020 4:30 pm

Questions? Contact Melanie Weiland at mweiland@mema.org

**The above map only pertains to motor vehicle repair shops & motor vehicle parts manufacturers, there are other state restrictions in place that we do not believe directly impacts our members. Additionally, this should not be taken as legal advice but rather our interpretation of the guidance.*

FEDERAL

On March 23, CISA has updated critical manufacturing in their [memorandum on identification of essential critical infrastructure workers during the covid-19 response](#) to include “workers needed to maintain the continuity of these manufacturing functions and associated supply chains”

On March 28, CISA released it’s 2.0 version of this guidance which includes the following language in their transportation and logistics section: Automotive repair, maintenance, and transportation equipment manufacturing and distribution facilities (including those who repair and maintain electric vehicle charging stations).
