

“Pass USMCA!” Fly-in

Wednesday, Sept. 11, 2019

Washington, DC 20005

HOW CAN YOU HELP GET USMCA PASSED?

Passing legislation to implement the United States-Mexico-Canada Agreement (USMCA) is one of MEMA’s top advocacy priorities.

MEMA members can make a real difference in DC as we ramp up our advocacy in preparation for a House vote in late September or October. MEMA is hosting a “**Pass USMCA!**” Fly-In on Sept. 11 in Washington, D.C.; this is the perfect opportunity for member company representatives to meet with key Members of Congress and urge them to vote “YEA.”

The continued strength of the vehicle industry depends on a strong North American supply chain. The USMCA will provide economic certainty and opportunity for manufacturing growth in the U.S. and throughout the region. This certainty is essential for U.S. suppliers to advance the technologies required to be competitive in the global mobility marketplace.

NOTE: This event is the day before the quarterly MEMA Government Affairs Committee meeting on Sept. 12 in D.C.; we encourage you to attend both. Separate registration required.
